

the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(B) The tenant is required to relocate temporarily, does not return to the building/complex, and either:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(2) Other conditions of the temporary relocation are not reasonable; or

(C) The tenant is required to move to another dwelling unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (g)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, received written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that he or she would not qualify as a “displaced person” (or for assistance under this section) as a result of the project;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The owner may ask HUD, at any time, to determine whether a displacement is or would be covered by this section.

(h) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement

housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term “initiation of negotiations” means the owner’s execution of the Housing Assistance Payments Contract.

Subpart A—Fair Market Rents

§ 888.111 Fair market rents for existing housing: Applicability.

(a) The fair market rents (FMRs) for existing housing are determined by HUD and are used in the Section 8 Housing Choice Voucher Program (“voucher program”) (part 982 of this title), Section 8 project-based assistance programs and other programs requiring their use. In the voucher program, the FMRs are used to determine payment standard schedules. In the Section 8 project-based assistance programs, the FMRs are used to determine the maximum initial rent (at the beginning of the term of a housing assistance payments contract).

(b) Fair market rent means the rent, including the cost of utilities (except telephone), as established by HUD, pursuant to this subpart, for units of varying sizes (by number of bedrooms), that must be paid in the market area to rent privately owned, existing, decent, safe and sanitary rental housing of modest (non-luxury) nature with suitable amenities.

[64 FR 56911, Oct. 21, 1999]

§ 888.113 Fair market rents for existing housing: Methodology.

(a) *Basis for setting fair market rents.* Fair Market Rents (FMRs) are estimates of rent plus the cost of utilities, except telephone. FMRs are housing market-wide estimates of rents that provide opportunities to rent standard quality housing throughout the geographic area in which rental housing units are in competition. The level at which FMRs are set is expressed as a percentile point within the rent distribution of standard quality rental housing units in the FMR area. FMRs are set at either the 40th or 50th percentile rent—the dollar amount below which the rent for 40 or 50 percent of standard quality rental housing units falls. The 40th or 50th percentile rent is drawn from the distribution of rents of all units that are occupied by recent movers. Adjustments are made to exclude public housing units, newly built units and substandard units.

(b) *Setting FMRs at the 40th or 50th percentile rent.* Generally HUD will set the FMRs at the 40th percentile rent. HUD will set FMRs at the 50th percentile only in accordance with paragraph (c) of this section.

(c) *Setting FMRs at the 50th percentile rent to provide a broad range of housing opportunities throughout a metropolitan area.* (1) HUD will set the FMRs at the 50th percentile rent for all unit sizes in each metropolitan FMR area that meets all of the following criteria at the time of annual publication of the FMRs:

(i) The FMR area contains at least 100 census tracts;

(ii) 70 percent or fewer of the census tracts with at least 10 two bedroom rental units are census tracts in which at least 30 percent of the two bedroom rental units have gross rents at or below the two bedroom FMR set at the 40th percentile rent; and

(iii) 25 percent or more of the tenant-based rental program participants in the FMR area reside in the 5 percent of the census tracts within the FMR area that have the largest number of program participants.

(2) If the FMRs are set at the 50th percentile rent in accordance with paragraph (c)(1) of this section, HUD

will set the FMRs at the 50th percentile rent for a total of three years.

(i) At the end of the three-year period, HUD will continue to set the FMRs at the 50th percentile rent only so long as the concentration measure for the current year is less than the concentration measure at the time the FMR area first received an FMR set at the 50th percentile rent. HUD will publish FMRs based on the 40th percentile rent for FMR areas that do not qualify for continued use of the 50th percentile rent.

(ii) For purposes of this section, the term “concentration measure” means the percentage of tenant-based rental program participants in the FMR area who reside in the 5 percent of the census tracts within the FMR area that have the largest number of program participants.

(iii) FMR areas that do not meet the test for continued use of FMRs set at the 50th percentile will be ineligible to use FMRs set at the 50th percentile for a period of three years.

(iv) A PHA whose jurisdiction includes one or more FMR areas that are no longer eligible to use FMRs set at the 50th percentile may be eligible for a higher payment standard under § 982.503(f).

(d) *FMR Areas.* FMR areas are metropolitan areas and nonmetropolitan counties (nonmetropolitan parts of counties in the New England States). With several exceptions, the most current Office of Management and Budget (OMB) metropolitan area definitions of Metropolitan Statistical Areas (MSAs) and Primary Metropolitan Statistical Areas (PMSAs) are used because of their generally close correspondence with housing market area definitions. HUD may make exceptions to OMB definitions if the MSAs or PMSAs encompass areas that are larger than housing market areas. The counties deleted from the HUD-defined FMR areas in those cases are established as separate metropolitan county FMR areas. FMRs are established for all areas in the United States, the District of Columbia, Puerto Rico, the Virgin Islands, and the Pacific Islands.

(e) *Data sources.* (1) HUD uses the most accurate and current data available to develop the FMR estimates and

may add other data sources as they are discovered and determined to be statistically valid. The following sources of survey data are used to develop the base-year FMR estimates:

(i) The most recent decennial Census, which provides statistically reliable rent data.

(ii) The American Housing Survey (AHS) data, conducted by the Bureau of the Census for HUD. AHS’s have comparable accuracy to the decennial Census, and are used to develop between-census revisions for the largest metropolitan areas on a four-year revolving schedule.

(iii) Random Digit Dialing (RDD) telephone survey data, based on a sampling procedure that uses computers to select statistically random samples of rental housing.

(iv) Statistically valid information, as determined by HUD, presented to HUD during the public comment and review period.

(2) Base-year FMRs are updated and trended to the midpoint of the program year they are to be effective using Consumer Price Index (CPI) data for rents and for utilities or using rent-change factors obtained from the RDD regional surveys. The RDD rent-change factors are developed annually for the metropolitan and nonmetropolitan parts of the HUD-specified geographic regions not covered by CPI surveys, and are used to update the base-year FMR estimates within these regions.

(f) *Unit size adjustments.* (1) For most areas the ratios developed from the most recent decennial Census are applied to the two-bedroom FMR estimates to derive FMRs for other bedroom sizes. Exceptions to this procedure may be made for areas with local bedroom intervals below an acceptable range. To help the largest most difficult to house families find units, higher ratios than the actual market ratios may be used for three-bedroom and larger-size units.

(2) The FMR for single room occupancy housing is 75 percent of the FMR for a zero bedroom unit.

(g) *Manufactured home space rental.* The FMR for a manufactured home space rental (for the voucher program under part 982 of this title) is:

(1) 40 percent of the FMR for a two bedroom unit; or

(2) When approved by HUD on the basis of survey data submitted in public comments, either the 40th or 50th percentile as applicable of the rental distribution of manufactured home spaces for the FMR area. HUD accepts public comments requesting revision of the proposed manufactured home spaces FMRs for areas where space rentals are thought to differ from 40 percent of the FMR for a two-bedroom unit. To be considered for approval, the comments must contain statistically valid survey data that show either the 40th or 50th percentile manufactured home space rent (including the cost of utilities for the manufactured home) for the FMR area. Once approved, the revised manufactured home space FMRs establish new base-year estimates that will be updated annually using the same data used to update the FMRs.

§ 888.115 Fair market rents for existing housing: Manner of publication.

FMRs will be published at least annually in the FEDERAL REGISTER. The Department will propose FMRs and provide a comment period of at least 30 days for the purpose of identifying areas where the FMRs are believed to be too high or too low. To be considered for FMR revisions, public comments must include statistically valid rental housing survey data that justify the requested changes. After the comments have been considered, the Department will publish a final notice announcing FMRs to be effective on October 1 each year.

Subpart B—Contract Rent Annual Adjustment Factors

§ 888.201 Purpose.

Automatic Annual Adjustment Factors are used to adjust rents under the Section 8 Housing Assistance Payments Program.

[44 FR 75383, Dec. 20, 1979]

§ 888.202 Manner of publication.

Adjustment Factors will be published in the FEDERAL REGISTER at least annually by Notice. Interim revisions may be published as market conditions indicate. In the case of revised factors applicable only to specific areas, the HUD Field Office will publish a notice appropriate to the limited scope of the revised factors (see § 888.204).

[42 FR 60508, Nov. 25, 1977, as amended at 44 FR 75383, Dec. 20, 1979; 47 FR 4252, Jan. 29, 1982]

§ 888.203 Use of contract rent automatic annual adjustment factors.

(a) To compute an adjustment to a Contract Rent, find the schedule of Automatic Annual Adjustment Factors for the appropriate Census Region or Standard Metropolitan Statistical Area—

(1) If the Contract Rent includes all utilities, use the factor shown on the basic schedule for the rent bracket within which the particular Contract Rent falls and for the applicable size of unit (by number of bedrooms).

(2) If the Contract Rent does not include all utilities but does include the highest cost utility, use the appropriate factor shown on the basic schedule.

(3) If the Contract Rent does not include any utilities or includes some utilities but not the highest cost utility, use the Annual Adjustment Factor for Contract Rent (Excluding Utilities).

(b) The adjusted monthly amount of the Contract Rent of a dwelling unit shall be determined by multiplying the Contract Rent in effect on the anniversary date of the contract by the applicable Automatic Annual Adjustment Factor (see paragraph (a) of this section) and rounding the result as follows:

(1) If the result contains a fractional dollar amount ranging from \$0.01 to \$0.49, round to the next lower whole dollar amount;

(2) If the result contains a fractional dollar amount ranging from \$0.50 to \$0.99, round to the next higher whole dollar amount.

[42 FR 60508, Nov. 25, 1977, as amended at 44 FR 21769, Apr. 12, 1979; 47 FR 4252, Jan. 29, 1982; 59 FR 38564, July 29, 1994]

§ 888.204 Revision to the automatic annual adjustment factors.

If the application of the Annual Adjustment Factors results in rents that are substantially lower than rents charged for comparable units not receiving assistance under the U.S. Housing Act of 1937, in the area for which the factor was published or a portion thereof, and it is shown to HUD that the costs of operating comparable rental housing have increased at a substantially greater rate than the Adjustment Factors, the HUD Field Office will consider establishing separate or revised Automatic Annual Adjustment Factors for that particular area. Any request for revision of the factors must be accompanied by an identification of the area, its boundaries and evidence that the area constitutes the largest contiguous area in which substantially the same rent levels prevail. The HUD Field Office will publish appropriate notice of the establishment of any such revised Automatic Annual Adjustment Factors. These factors will remain in effect until superseded by the subsequent publication of Automatic Annual Adjustment Factors pursuant to § 888.202.

Subpart C—Retroactive Housing Assistance Payments for New Construction, Substantial Rehabilitation, State Finance Agencies, Section 515 Farmers Home Administration, Section 202 Elderly or Handicapped, and Special Allocations Projects

SOURCE: 56 FR 20084, May 1, 1991, unless otherwise noted.

§ 888.301 Purpose and scope.

(a) *Purpose.* This subpart describes the basic policies and procedures for the retroactive payment of Housing Assistance Payments to eligible project owners for the period from October 1, 1979 to May 31, 1991 and for one-time Contract Rent determinations for such eligible project owners.

(b) *Applicability.* This subpart applies to all project-based Section 8 Housing

Assistance Payments Contracts under New Construction (Part 880); Substantial Rehabilitation (Part 881); State Finance Agencies (Part 883); and Section 515 Farmers Home Administration (Part 884). It also applies to those projects under Section 202 Elderly or Handicapped (Part 885) and Special Allocations (Part 886, Subparts A and C) whose Contract Rents are adjusted by use of the Annual Adjustment Factors (AAFs), as described in subpart B of this part.

(c) *Eligible project owners.* Project owners may be eligible for retroactive payments if, during the period from October 1, 1979 to May 31, 1991:

(1) The use of a comparability study by HUD (or the Contract Administrator), which was conducted as an independent limitation on the amount of rent adjustment that would have resulted from use of the applicable AAF, resulted in the reduction of the maximum monthly Contract Rents for units covered by a Housing Assistance Payments (HAP) contract or resulted in less than the maximum increase for those units than would otherwise be permitted by the AAF; or

(2) The HAP contract required a project owner to request annual rent adjustments, and the project owner certifies that a request was not made because of an anticipated reduction of the maximum monthly Contract Rents resulting from a comparability study.

§ 888.305 Amount of the retroactive Housing Assistance Payments.

(a) *Recalculating the total rent adjustment.* To establish the amount of the retroactive HAP payment for which a project owner meeting the criteria in § 888.301(c) is eligible, the total rent adjustment will be recalculated for the period from October 1, 1979 to May 31, 1991. For purposes of establishing the amount of the retroactive payment only, the total rent adjustment will be an amount equal to the Contract Rent, minus the amount of the Contract Rent attributable to debt service, multiplied by the applicable AAF, for each year.

(b) *Calculating the retroactive payment.* HUD (or the Contract Administrator) will pay, as a retroactive Housing Assistance Payment, the amount, if any,

by which the total rent adjustment, calculated under paragraph (a) of this section, exceeds the rent adjustments actually approved for the same time period, except that in no event will any payment be an amount less than 30 percent of the aggregate of the full Contract Rent multiplied by the applicable AAF, minus the sum of the rent adjustments actually approved for the same time period, adjusted by the average occupancy rate.

(c) *Occupancy rates.* (1) Retroactive payments will be made only for units that were occupied, based on average occupancy rate, including units qualifying for vacancy payments under 24 CFR 880.611, 881.611, 883.712, 884.106, 885.985, 886.109, or 886.309, during the time period from October 1, 1979 to May 31, 1991.

(2) When requesting retroactive payment, a project owner must, if the information is available, submit documentation of occupancy rates, on either an annual or monthly basis, for the same time period. The average occupancy rate will be based on these records. If records are unavailable for the full time period, HUD (or the Contract Administrator) will establish an average occupancy rate, to be used for the entire period, from the occupancy rate for the three years immediately preceding May 31, 1991.

(d) *Revised AAFs.* For any year during the period from October 1, 1979 to May 31, 1991, where a HUD field office published a revised Annual Adjustment Factor that replaced the applicable AAF for a specific locality under 24 CFR 888.204, the revised Annual Adjustment Factor, which applied to all projects in that area, will be used to recalculate the total rent adjustment under paragraph (a) of this section, and to establish the amount of the retroactive payments.

(e) *Special adjustments.* When calculating the total rent adjustments and establishing the amount of the retroactive payments under paragraphs (a) and (b) of this section, any special adjustments granted under 24 CFR 880.609(b), 881.609(b), 883.710(b), 884.109(c), 886.112(c), or 886.312(c) during the time period from October 1, 1979 to May 31, 1991, to reflect substantial general increases in real property taxes,

assessments, utility rates, utilities not covered by regulated rates, or for special adjustments for any other purpose authorized by a waiver of the regulations, will be deducted from the Contract Rent before applying the AAF.

(f) *AAFs less than 1.0.* For any area where an AAF of less than 1.0 was published, a factor of 1.0 will be used to recalculate the total rent adjustments and to establish the amount of the retroactive payments under paragraphs (a) and (b) of this section.

(g) *Debt service.* (1) For purposes of this section, debt service includes principal, interest, and the mortgage insurance premium, if any.

(2) The monthly debt service set forth in the original mortgage documents for a project will be used to compute the debt service portion of the contract rent. The debt service will be compared to the spread of unit sizes included in the original HAP contract, and the amount used in the calculation will be based on the percentage of total rent potential of the various unit types.

(3) If, in some cases, HUD or the Contract Administrator cannot determine the debt service for a project, the project owner will be asked to provide documentation of the debt service. The project owner will be notified by the HUD Field Office or the Contract Administrator of the need for documentation of the debt service, and allowed 30 days to respond, or for such longer period as approved by HUD or the Contract Administrator on a case-by-case basis. Where the debt service is not available to HUD or the Contract Administrator and the owner is unable to provide the necessary information, retroactive payments cannot be made.

(h) *Applicable AAF.* The applicable AAF is the factor in effect on the anniversary date of the contract and appropriate for the area, for the size of the unit, and for the treatment of utilities; except where, for any year when AAFs were published after November 8 and made retroactive to November 8, a project owner was given the option to choose the factor in effect on the anniversary date or the retroactive factor,

§ 888.310

the applicable AAF is the factor chosen by the project owner in that year.

(Approved by the Office of Management and Budget under control number 2502-0042)

§ 888.310 Notice of eligibility requirements for retroactive payments.

(a) *Notice of eligibility requirements.* HUD (or the Contract Administrator) will give written notice to all current owners of projects of the eligibility requirements for retroactive payments. Eligible project owners must make a request for payment and a request for a one-time contract determination within 60 days from the date of the notice.

(b) *Request for payment.* (1) Owners eligible for retroactive payments under § 888.301(c) must submit a request for a calculation of the total rent adjustments and the establishment of the amount of the retroactive payment, as described in § 888.301 (a) and (b), and documentation of the occupancy rate for the period from October 1, 1979, to May 31, 1991, if available.

(2) Owners whose HAP contract requires a request to be made for annual rent adjustments must certify that a request was not made because of an anticipated reduction in the Contract Rents as a result of a comparability study. The certification must contain the year or years upon which the request for payment is based and a statement of the basis for the belief that rents would have been reduced.

(3) Retroactive payments will be made to owners over a three-year period as funds are appropriated for that purpose. When funds are available for payment, HUD will publish a FEDERAL REGISTER notice containing procedures for claiming payments.

(c) *Request for one-time contract rent determination.* When making a request for payment, eligible owners may also request a one-time contract rent determination, as described in § 888.320. Eligible owners may request a one-time contract rent determination even if they choose not to request retroactive payments, provided they are eligible for retroactive payments.

(d) *Transfer of ownership since October 1, 1979.* Eligible owners who request retroactive payments must certify that they are entitled to the entire amount of the payment. Any owner who is un-

24 CFR Ch. VIII (4-1-12 Edition)

able to certify must present documentation of an agreement between the current and former owners of the proportionate share of the payment for which each is eligible.

(Approved by the Office of Management and Budget under control number 2502-0042)

§ 888.315 Restrictions on retroactive payments.

(a) *Restrictions on distribution of surplus cash.* Retroactive payments for HUD-insured projects and other projects subject to limitations on the distribution of surplus cash will be deposited, in the manner of Housing Assistance Payments, into the appropriate project account. The payments will be subject to HUD rules and procedures (or rules and procedures of other agencies, as appropriate), described in the applicable regulations and the HAP contracts, for distribution of surplus cash to project owners.

(b) *Replacement reserve.* Projects required by HUD regulations to maintain a reserve for replacement account and to adjust the annual payment to the account each year by the amount of the annual rent adjustment must deposit into the account the proportionate share of any retroactive payment received, in accordance with HUD regulations and the HAP contract.

(c) *Physical condition of HUD-insured or State-financed projects.* If the most recent physical inspection report of a HUD-insured project, completed by the mortgagee, or by HUD or the Contract Administrator if a mortgagee inspection is not present, shows significant deficiencies that have not been addressed to the satisfaction of HUD by the date the retroactive payment is deposited into the project account, the payment will not be made available for surplus cash distribution until the deficiencies are resolved or a plan for their resolution has been approved by HUD.

§ 888.320 One-time Contract Rent determination.

(a) *Determining the amount of the new Contract Rent.* Project owners eligible for retroactive payments, as described in § 888.301(c), may request a one-time Contract Rent determination, to be effective as described in paragraph (c) of this section. The request for a one-time

rent determination must be made when submitting a request for retroactive payments, as described in § 888.315. If no claim for retroactive payments is made, an owner may submit only the request for a one-time rent determination, provided the owner is eligible for retroactive payments. The new Contract Rent under this provision will be the greater of:

(1) The Contract Rent currently approved by HUD (or the Contract Administrator); or

(2) An amount equal to the applicable AAF multiplied by the Contract Rent minus debt service, calculated for each year from October 1, 1979, to May 31, 1991.

(b) *Currently approved rent.* The Contract Rent currently approved by HUD (or the Contract Administrator) is the Contract Rent stated in the most recent amendment to the HAP Contract signed by both HUD (or the Contract Administrator) and the owner, or as shown on HUD Form 92458 (Rental Schedule) if the most recent amendment to the HAP Contract cannot be located.

(c) *Effective date of new Contract Rent.* The new Contract Rent, determined under paragraph (a) of this section, will be effective on May 31, 1991.

Subpart D—Retroactive Housing Assistance Payments for Moderate Rehabilitation Projects

SOURCE: 56 FR 20085, May 1, 1991, unless otherwise noted.

§ 888.401 Purpose and scope.

(a) *Purpose.* This subpart describes the basic policies and procedures for the retroactive payment of Housing Assistance Payments to eligible project owners for the period from October 1, 1979 to May 31, 1991 and a one-time Contract Rent determination for such eligible project owners.

(b) *Applicability.* This subpart applies to all Moderate Rehabilitation projects under 24 CFR part 882, subparts D, E, and H.

(c) *Eligible project owners.* Project owners may be eligible for retroactive

payments if, during the period from October 1, 1979 to May 31, 1991:

(1) The use of a comparability study by the Public Housing Agency (PHA) as contract administrator, which was conducted as an independent limitation on the amount of rent adjustment that would have resulted from use of the applicable AAF, resulted in the reduction of the maximum monthly Contract Rents for units covered by a Housing Assistance Payments (HAP) contract or resulted in less than the maximum increase for those units than would otherwise be permitted by the AAF; or

(2) The project owner certifies that a request for an annual rent adjustment was not made because of an anticipated reduction of the maximum monthly Contract Rents resulting from a comparability study.

§ 888.405 Amount of the retroactive Housing Assistance Payments.

(a) *Recalculating the total rent adjustment.* To establish the amount of the retroactive HAP payment for which a project owner meeting the criteria in § 888.401(c) is eligible, the total rent adjustment will be recalculated for the period from October 1, 1979 to May 31, 1991. Rents for that period will be recalculated, under the procedures set out in 24 CFR 882.410(a)(1), by applying the AAF for any affected year, and recalculating the rents for the remainder of the period as necessary. For each year thereafter, all rent adjustments made at the request of the owner at the time will be recalculated, under the procedures in 24 CFR 882.410(a)(1), to account for the new adjustments.

(b) *Calculating the retroactive payment.* HUD will pay, through the PHA, as a retroactive Housing Assistance Payment the amount, if any, by which the total rent adjustment, calculated under paragraph (a) of this section exceeds the rent adjustments actually approved for the same time period.

(c) *Occupancy rate.* (1) Retroactive payments will be made only for units that were occupied, based on average occupancy rate, including units qualifying for vacancy payments under 24 CFR 882.411, during the time period from October 1, 1979 to May 31, 1991.

(2) When requesting a retroactive payment, a project owner must, if the

§ 888.410

24 CFR Ch. VIII (4–1–12 Edition)

information is available, submit documentation of occupancy rates, on either an annual or monthly basis, for the same time period. The average occupancy rate will be based on these records. If records are unavailable for the full time period, the PHA will establish an average occupancy rate, to be used for the entire period, from the occupancy rate for the three years immediately preceding May 31, 1991.

(d) *Revised AAFs.* For any year during the period from October 1, 1979 to May 31, 1991, where a HUD field office published a revised Annual Adjustment Factor that replaced the applicable AAF for a specific locality under 24 CFR 888.204, the revised Annual Adjustment Factor, which applied to all projects in that area, will be used to recalculate the total rent adjustment under paragraph (a) of this section, and to establish the amount of the retroactive payments.

(e) *Special adjustments.* When calculating the total rent adjustments and establishing the amount of the retroactive payments under paragraphs (a) and (b) of this section, any special adjustments granted under 24 CFR 882.410(a)(2) during the period from October 1, 1979 to May 31, 1991, to reflect substantial general increases in real property taxes, assessments, utility rates, utilities not covered by regulated rates, or for special adjustments for any other purpose authorized by a waiver of the regulations, will be deducted from the base rent before applying the AAF.

(f) *AAFs less than 1.0.* For any area where an AAF of less than 1.0 was published, a factor of 1.0 will be used to recalculate the total rent adjustments and to establish the amount of the retroactive payments under paragraphs (a) and (b) of this section.

§ 888.410 Notice of eligibility requirements for retroactive payments.

(a) *Notice of eligibility requirements.* PHAs will give written notice to all current owners of projects, for which they are the Contract Administrators, of the eligibility requirements for retroactive payments. Eligible project owners must make a request for pay-

ment or a request for a one-time contract determination within 60 days from the date of the notice.

(b) *Request for payment.* (1) Owners eligible for retroactive payments under § 888.401(c) must submit a request for a calculation of the total rent adjustments and the establishment of the amount of the retroactive payment, as described in § 888.401 (a) and (b), and documentation of the occupancy rate for the period from October 1, 1979 to May 31, 1991, if available.

(2) Owners claiming eligibility under § 888.401(c)(2) must certify that a request was not made because of an anticipated reduction in the Contract Rents as a result of a comparability study. The certification must contain the year or years upon which the request for payment is based and a statement of the basis for the belief that rents would have been reduced.

(3) Retroactive payments will be made to owners over a three-year period as funds are appropriated for that purpose. When funds are available for payment, HUD will publish a FEDERAL REGISTER Notice containing procedures for claiming payments.

(c) *Request for one-time contract rent determination.* When making a request for payment, eligible owners may also request a one-time contract rent determination, as described in § 888.420. Eligible owners may request a one-time contract rent determination even if they choose to forgo receiving retroactive payments, provided they are eligible for retroactive payments.

(d) *Transfer of ownership since October 1, 1979.* Eligible owners requesting retroactive payments must certify that they are entitled to the entire amount of the payment. Any owner who is unable to certify must present documentation of an agreement between the current and former owners of the proportionate share of the payment for which each is eligible.

§ 888.415 Restrictions on retroactive payments.

(a) *Restrictions.* Retroactive payments are subject to all regulations, procedures, or restrictions that apply to Housing Assistance Payments.

(b) *Review of initial rents.* Before calculating the amount of any retroactive payment, the PHA, if directed by HUD, will review whether rents were excessive when initially set.

(c) *Physical condition of projects.* If the most recent physical inspection report by the PHA shows significant deficiencies that have not been addressed to the satisfaction of the PHA by the date the retroactive payment is deposited into the project account, the payment will not be made available until the deficiencies are resolved or a plan for their resolution has been approved by the PHA.

§ 888.420 One-time Contract Rent determination.

(a) *Determining the amount of the new Contract Rent.* Project owners eligible for retroactive payments, as described in § 888.401(c), may request a one-time Contract Rent determination, to be effective as described in paragraph (c) of this section. The request for a one-time rent determination must be made when submitting a request for retroactive payments, as described in § 888.415. If no claim for retroactive payments is made, an owner may submit only the request for a one-time rent determination, provided the owner is eligible for retroactive payments. The new Contract Rent under this provision will be the greater of:

(1) The Contract Rent currently approved by the PHA; or

(2) An amount equal to the Contract Rent as adjusted to May 31, 1991 under § 888.405(a).

(b) *Currently approved rent.* The Contract Rent currently approved by the PHA is the Contract Rent stated in the most recent amendment to the HAP Contract signed by both the PHA and the owner.

(c) *Effective date of new Contract Rent.* The new Contract Rent, determined under paragraph (a) of this section, will be effective on May 31, 1991.
